Masih tak boleh move on dari kemenangan Ridzuan dan Ziyad awal pagi tadi. Tergerak hati nak ceritakan peristiwa tiga tahun lepas. Saya baru dua bulan sahaja dilantik jadi Menteri Sukan. Tiba-tiba terima berita dari Lyon, France seorang atlet negara bernama Ziyad Zolkefli telah menang di kejohanan olahraga dunia. Dunia beb!

Lepas saya terima berita tersebut saya tanya pegawai semada kementerian menyediakan insentif untuk kemenangan tersebut. Saya diberi jawapan memang ada. "Tapi YB jumlah yang diberi kurang sebab ini sukan para." Saya tanya kurang berapa. "Atlet para ni dapat 30% dari nilai ganjaran atlet biasa/normal."

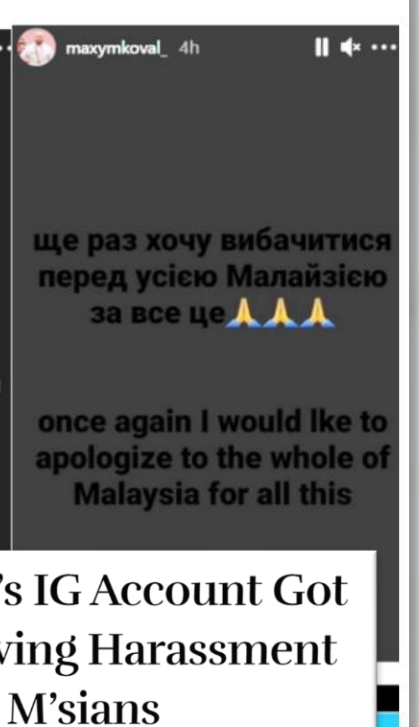

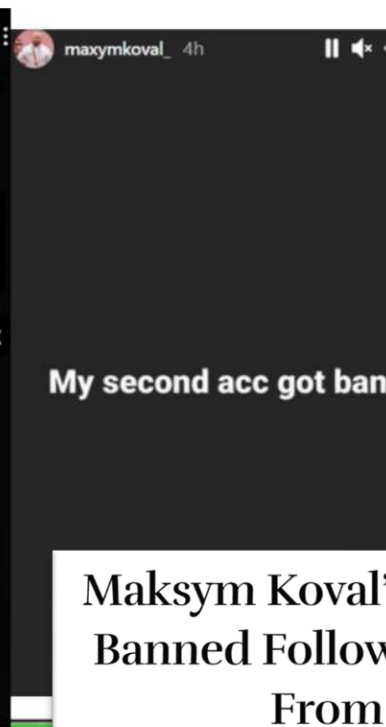

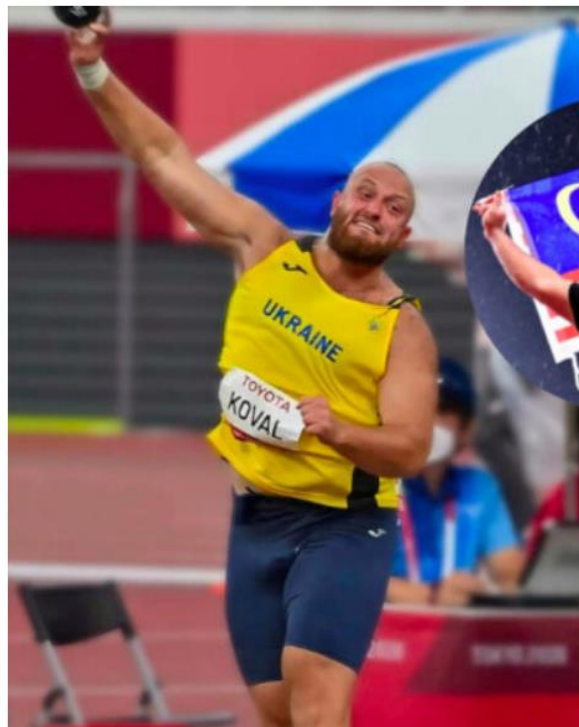

Beberapa hari kemudian ada mesyuarat Lembaga Majlis Sukan Negara. Saya selaku Menteri dan juga Pengerusi MSN sendiri bangkitkan isu ganjaran untuk atlet para. Saya kata tidak adil mereka terima insentif kurang dari atlet biasa. Saya cadangkan kita tukar polisi ini. Bagi sama rata. Macam-macam hujah diberi untuk meniadakan cadangan saya. "Paralimpik ini baharu." "Acara mereka tak ramai penyertaan." "Paralimpik ini terlalu banyak kategori

Malaysia file complaint against Japanese referee

By Farah Azharie - December 29, 2022 @ 9:51pm

The FA of Malaysia (FAM) have lodged a complaint against Japanese referee Ryuji Sato to the Asean Football Federation (AFF) over his handling of Malaysia's AFF Cup match against Vietnam in Hanoi on Tuesday. Malaysia lost 3-0. -BERNAMA PIC

... but
did it
work?

koyak

Koyak is a Malay word for "tear" (pulling something apart). Koyak is also used in the context of "triggered" on the internet.

Daniel: "Guys stop disproving my stupid take"

Megumi: Haha, koyak

Adults in favor of closing social media temporarily during crises 2019, by country

Published by [Statista Research Department](#), Oct 19, 2021

 In April 2019, the Sri Lankan government cut off social media access in the wake of a fatal terrorist attack. According to an [Ipsos](#) survey conducted a month later, approximately 60 percent of online users across 27 countries agreed that temporarily shutting down social media during a crisis was acceptable to stop the spread of false information. India was ranked first with a 88 percent agreement rate, by far the highest of any country surveyed.

Jangan bergantung sangat dgn ChatGpt. Ayat al-Quran pun dia boleh reka.

Utk maklumat, hadith pun dia boleh reka jugak. Sesiapa yg belajaq Ilmu Takhrij Hadith, mmg tak sesuai guna ChatGpt.

Tanggungjawab kita lah utk tapis sumber yg tak betul yg dinyatakan oleh ChatGpt.

Ia sekadar teknologi terkini. Tak boleh salahkan dia jugak sbb dia robot.

Wallahua'lam.

Bolehkah ChatGPT Mereka Ayat Al-Qur'an?

وَلَا تَحْسَبَنَّ الَّذِينَ يَفْعَلُونَ السَّيِّئَاتِ أَنَّا نَسْتَهْزِؤُ بِهِمْ
وَلَكِنَّا نُوَخِّرُ لَهُمُ الْعَذَابَ لِيَتُوبُوا وَيَسْتَغْفِرُوا
وَيَتَفَكَّرُوا فِي مَا صَنَعُوا

"Dan janganlah kamu menganggap bahawa orang-orang yang melakukan kejahatan itu kami ejek, tetapi sebaliknya kami menangguhkan hukuman bagi mereka agar mereka bertaubat, memohon ampun dan merenungkan perbuatan mereka." - **Ayat ini direka oleh ChatGPT.**

Summary

How to measure power?

How to measure trust?

Virality and manipulation
